

A close-up photograph of a halved lemon. The lemon is cut in half, and the top portion is missing, revealing the white pith and the remaining pulp. The lemon is resting on a green, textured surface that looks like a woven mat. The background is dark and out of focus, showing some green foliage and a wooden object. The lighting is dramatic, highlighting the texture of the lemon's skin and the interior.

Wenn Dir das Leben  
eine Zitrone gibt,  
mach Limonade draus !
